containers**

At the pharmacy

30-day supply

1 carton

3 pouches

Single-use containers;
not actual size.

**30 single-use
containers**

A 90-day carton may also be available at select pharmacies.

Storage and handling

**Refrigerate
before use**

Cartons and unopened foil pouches should be kept under refrigeration: 2°C to 8°C (36°F–46°F).

**Store at
room temperature
after opening**

Single-use containers may be stored in the opened pouch for up to 28 days at room temperature: 20°C to 25°C (68°F–77°F). Protect from moisture. Write down the date you open the foil pouch in the space provided on the pouch. Discard any unused containers 28 days after first opening the pouch.

Discard after use

Patients should discard the remaining contents of an opened single-use container immediately after use.
